BENSENVILLE PARK DISTRICT

SUMMER CAMPS BEGIN JUNE 11TH

The Bensenville Park District Summer Day Camp Program offers a noncompetitive atmosphere where youngsters can socially interact and participate in a variety of activities. Children 6-10 will enjoy either Adventure Camp or Sports Camp and ages 11-15 will like the variety of activities offered at Teen Camp. Camp fees for these full-time camps include a free healthy lunch provided by the Northern Illinois Food Bank, weekly field trips, visits to the Bensenville Water Park and more. Parents may pick and choose their child's camp days and have the opportunity to secure before and after camp care services. Other camps offered include Fischer Farm's Discovery Camp held June 11- July 20 and *part-time* camps for ages 2-5, Tot Camp and Sunshine Camp. For more information email camps@bensenvilleparkdistrict.org.

2018 WATER PARK SEASON OPENS MAY 26!

Have your family staycation at the Bensenville Water Park & Splash Pad. Make sure to secure your season passes soon! The Water Park offers Birthday Party Packages and the facility is available to rent for Private Parties. Secure your 2018 party at the Water Park while dates are available. Call 630.766.7015 to reserve.

Swim Lesson Registration is Underway

The Bensenville Park District's Learn to Swim Program, for beginners and advanced swimmers, emphasizes improving swimming ability, increasing confidence and water safety under the instruction of competent, experienced instructors. Group and private swim lessons are offered on weekdays and Saturdays. Register at the Deer Grove Leisure Center. Call 630.766.7015 with any questions.

Splish Splash Bash

FENTON HIGH SCHOOL

DISTRICT 100 SAYS *THANK YOU* TO THE STRATEGIC PLANNING COMMITTEE

Fenton High School District 100 and the Board of Education and the Strategic Plan Committee are excited to have completed the Strategic Plan. The committee was composed of students, parents, community members, staff, teachers, administrators, and board members. This strategic plan is District 100's roadmap, telling us why we are going there, and what functions and resources we need to get there.

The plan established a mission, beliefs, goals, and action plans for the school district. We believe a strategic plan will improve student achievement, create focused curriculum initiatives, improve communication between the school and community, provide direction for the staff, administrators and board of education, align budget process, and establishes uniformity among stakeholders towards accomplishing prioritized goals.

Thank you to the committee members for all their hard work. Students: Isaiah Brock, Sydney Minard, and Malien Tingpalpong. Parents: Silvia Acuna, Joe Minard, Nancy Minard, Marta Tellez, and Kit Tingpalpong. Community Members: Lara Schwarz, David Sieffert. Board Members: Paul Wedemann, Mary Ann Payton-Howell, Patty Jalowiec, Juliet Rago, Jacci Ramirez, and Laura Wassinger. Staff: Jon Aguilar, Larry Anzalone, Jeff Baeder, Julia Bray, Flo Brock, Sara McDougal, Dave Mello, Kelly Mullins, Lisa Olson, Clint Porter, Jo Anna Rieger, Lena Sparacio, Michelle Talley, Mary Timmins, and Melissa To. Administrators: James Ongtengco, Jovan Lazarevic, Jim Batson, Bruce Martin, Michelle Papanicolaou, and Kathy Schroeder.

FENTON HIGH SCHOOL RELEASES 2017-18 FIRST SEMESTER HONOR ROLL

Fenton Community High School has named 882 students to the first semester honor roll for the 2017-18 school year, based on their exemplary academic performance. Students achieving a 3.5 or higher are recognized with High Honors and students achieving a 3.0 – 3.4999 grade point average are recognized with Honors. The complete list can be found on the Fenton 100 website.

COFFEE WITH THE PRINCIPAL

Join us for the final *Coffee with the Principal* for the 2017-18 school year. Meet Mr. Jovan Lazarevic in an informal setting. This coffee is scheduled for May 10, at 9am at Fenton High School. Mr. Lazarevic is interested in hearing from the Fenton Families. Please RSVP to Mrs. Trujillo at trujillo@fenton100.org or 630.860.6251.

COMMUNITY CERAMIC TOTEM POLE

Fenton High School Art Teacher JoAnna Rieger received a grant from the Bensenville Art Council to create a ceramic totem that will be installed outside the football field/art patio and is offering a *hands on* community art experience. The purpose of this project was to unite our community, provide wellness, and allow for positive expression through art.

Volunteers were guided in the planning and creating of this permanent sculpture to be installed outside the Fenton High School track and field. This artwork will welcome many for years to come. Three handcrafted ceramic totems, known as *Welcome Poles*, are the final outcome.

Students, FHS staff, and community members of all ages were invited to join this free art experience. Four 3-hour hands on sessions were offered to create the totem segments. The unveiling of the final project will be May 17.

VILLAGE OF BENSENVILLE

REGISTER NOW FOR THE SENIOR AND DISABLED GRASS CUTTING PROGRAM!

Village President, Frank DeSimone, is proud to roll out a Village Grass Cutting Program for senior and disabled Bensenville residents. This program will provide Bensenville seniors and disabled residents grass cutting services for their home at a discounted rate. The program provides weekly grass cutting, blowing of excess grass clippings, a spring cleanup in the first week of service and bagging of clippings in the month of October at no extra charge.

The cost of the program is $7.50 per cut. Additional services include edging for $2.50 per cut as well as bagging and disposal of clippings for $2.50 per cut. Edging and bagging services must be chosen for the full season.

TO QUALIFY FOR THE PROGRAM

- Residents must be 65 and older or disabled/handicapped with no one else in the household that can cut the grass.
- Each household resident must provide documentation of ownership and senior status or demonstrate disability status (via Secretary of State License Disability Place card or registration of disability with the Illinois Department of Aging).
- Must demonstrate a combined income of $55,000.00 or less to participate in the program.

For more information and to register for the program, please visit www.bensenville.il.us or call our Public Works Department at 630.350.3435.

ATTEND A NEIGHBORHOOD & BUSINESS WATCH MEETING

Neighborhood & Business Watch Meetings occur once a month in the community room of the Bensenville Police Department and begin at 7PM. Meetings include discussions on relevant topics like the opioid epidemic, expectations for the legalization of marijuana, and expectations and best practices during traffic stops.

English meetings occur the third Thursday of every month and Spanish meetings occur the fourth Thursday of every month.

FLY QUIET ROTATION UPDATE

The Federal Aviation Administration (FAA) is currently conducting environmental testing for the Interim Fly Quiet Runway Rotation Plan which was passed by the O'Hare Noise Compatibility Commission back in December. Once testing is completed and the plan is passed by the FAA in about a year, the Runway Rotation Plan will be implemented.

The Village understands that the current conditions are frustrating, but the Village is continually advocating for our residents. We expect this new rotation plan to help spread the noise more evenly around O'Hare and help provide some relief during the night time hours. During this time, we strongly encourage residents to submit a noise complaint to the Chicago Department of Aviation by calling 800.435.9569 or visiting www.flychicago.com/community/ORDnoise/Complaints/pages/default.aspx.

MUSIC IN THE PARK 2018

Everyone's favorite and free, family summer concert series, Music in the Park begins June 13th and has something to offer for all musical tastes. Bensenville restaurants will sell dinner and dessert items so families can have dinner in the park prior to the concert. Each concert night will also include a classic car night and there is always a 50/50 split the pot raffle that benefits our community.

LIBERTYFEST & FOURTH OF JULY PARADE

Come and enjoy all the festivities taking place at the Bensenville 4th of July Parade and Libertyfest celebration! Participants are already registering for our Independence Day Parade featuring some of the best bands, floats, and entertainment from around the region. We will also have live entertainment, food and drink, activities for all ages followed by a mega-fireworks display. The parade will begin at 10 am at town center downtown and will go South on York Road, East on Jefferson Street and will end at Redmond Park. To volunteer, please call 630.350.3405.

REGISTER NOW FOR A CAR SEAT GIVEAWAY ON JUNE 23RD

Village President Frank DeSimone and the Village of Bensenville are partnering up with the Bensenville Chamber of Commerce to host a Car Seat Giveaway and Installation Event. This event is available to incorporated Bensenville residents only and proof of residency is required. Car seats are available for children weighing 5 lbs to 40 lbs. To ensure they are installed correctly, professionals will be on site to provide direction and answer any questions you may have while you are installing your car seat. This event begins at 9 am on Saturday, June 23rd rain or shine in the Bensenville Public Works Garage, located at 717 East Jefferson Street in Bensenville. Due to a limited quantity of car seats, pre-registration to reserve your car seat is required by Friday, June 15th. To register, please call 630.594.1010 for English or 630.594.1005 for Spanish.

REQUIREMENTS

- Pre-registration is required prior to the pickup day to receive a car seat (Deadline is June 15th or while supplies last)
- Must be a Bensenville resident and provide proof of residency on pick up day (water bill or identification card)
- Child must be on site
- One seat per family

PUBLIC WORKS OPEN HOUSE—JULY 7TH

The Village of Bensenville's Public Works Department is hosting a free Open House for the community on Saturday, July 7th from 10 am to 2 pm. This unique experience will allow you to get a behind-the-scenes look at the skills, tools and equipment required to maintain the Village's infrastructure. Activities will include a water quality presentation, activities for the kids, facility tours, an Arbor Day celebration and tree planting at 11 am, a barbeque lunch and much more. For additional information go to www.bensenville.il.us or call 630.350.3435.

GARBAGE PICK UP REMINDER

While doing your spring cleaning, please remember what can and cannot be accepted on regular trash collection days. Republic Services which is the Village's waste management agency, offers a variety of services to Bensenville residents. These services include bulk waste pick up and appliance recycling. Items that do not fit in your trash container such as large furniture, appliances, carpet, mattresses, refrigerators and washing machines can be picked up by completing a service request online or over the phone. For additional information or to schedule a service request, visit www.republicservices.com/locations/illinois/bensenville/60106 or call 708.345.7050.

FREE MULCH PROGRAM FOR INCORPORATED BENSENVILLE RESIDENTS

On Saturday April 7th, the Village of Bensenville began offering FREE recycled triple ground mulch to incorporated Bensenville residents. This opportunity is the result of in town brush pickups, tree trimmings and tree removals. This is Bensenville's environmental initiative to recycle our material and reinvest back into the community. Mulch is available 7 days a week at the Public Works Facility parking lot at 717 East Jefferson Street (right across Redmond Park) and is accessible at the NE corner in a concrete bin for residents to help themselves. Residents are responsible for loading their own mulch, containers, shovels and their own transportation. The property is under surveillance - please be respectful of other residents and the Public Works Facility.

JOINING THE SWAN CONSORTIUM

Beginning May 1, the Library will be joining SWAN (System Wide Automated Network)! This means we'll be part of a larger library consortium in northern Illinois, expanding from eleven libraries to 97!

The library catalog will be getting bigger and your library card will work at any of these 97 locations. For a full list and map of the SWAN library membership, visit swanlibraries.net.

What does this migration mean for you?

- Access to over 9.8 million items - books, audiobooks, movies, TV shows, music, and more
- New notification choices to manage your account
- The online catalog will be more mobile-friendly
- Access to titles in 226 languages
- Gain access to special collections in libraries in the SWAN network

How can you prepare for the switch?

You can help the library by ensuring your account information is up-to-date. After the May 1 transition, your account notifications may look different or change. Notifications can be received via text, phone, mail, and email – depending on the notification type. Be sure to stop by or call the Library at (630) 766-4642 to review your account notification preferences.

THE SILK ROAD

SUNDAY | MAY 13 @ 2:00 PM

Famed ancient and exotic caravan route, the Silk Road's trade and cultural exchanges influenced the course of history, before the world was connected by transoceanic sea voyages. Join historian Sara Drower as she explains what a crucial road this trade route played in the development of cultures and cultural influence across Europe and Asia.

CEMETERY ART SYMBOLISM

WEDNESDAY | MAY 23 @ 7:00 PM

Join historian Laurel Mellien and learn about the rich symbolism displayed in cemeteries of the Victorian Era. Headstone art during this time period was carefully chosen by family members to properly represent the deceased. Many clues about the lives of the dearly departed can be discovered by learning the language of cemetery art symbolism.

AL CAPONE AND THE 1933 WORLD'S FAIR

SATURDAY | JUNE 2 @ 2:00 PM

Join us in welcoming author William Hazelgrove as he discusses his book, *Al Capone and the 1933 World's Fair: The End of the Gangster Era in Chicago*—the exciting and sprawling history behind the 1933 World's Fair. We'll take a historical look at Chicago during the bleakest days of the Great Depression, as the city was fighting the hold of organized crime and fighting to survive. Books will be available for purchase, and to be signed, at the conclusion of the talk.

SCHOOL DISTRICT 2

MAKING A DIFFERENCE

That's what District 2 third graders do during this unique unit of study.

Each year, District 2's *Making a Difference* unit helps its third graders develop 21st century learning skills, which are often referred to as the *four Cs* — collaboration, critical thinking, creativity, and communication.

During this problem-based service learning unit, students learn about influential people around the world who made a difference by overcoming hardships. They do so through close readings, read-alouds, book analyses, persuasive writing exercises, and other instructional activities. Then — through whole-class, small-group, and partner discussions — the students begin to relate the world around them to the real-life problems and solutions these influential people used to make a difference. They begin to develop solutions to the problems they're facing in their own lives.

World hunger is one such problem, and the next phase of this unit has traditionally provided the District's third graders with an opportunity to address that issue through a community service project with Feed My Starving Children. Students raise funding to help this non-profit organization purchase ingredients for nutritionally complete meals specifically formulated for malnourished children. Then they visit Feed My Starving Children in Schaumburg to hand pack the meals, which are then donated to the organization's food partners around the world.

Third graders at Tioga School continued this tradition, visiting Feed My Starving Children in March. But W.A. Johnson School's third graders decided to keep their service learning project closer to home this year, and instead are collecting items such as toothbrushes, toothpaste, and shampoo to distribute at upcoming Food for Families pop-up pantry events at Johnson.

Upon completing these service learning projects, both sets of students demonstrate what they have learned about community service by creating and sharing a presentation titled *I Made a Difference*. Students complete this unit by learning about young people whose small ideas made big differences in their communities, and by picking an influential person that they have learned about and *awarding* him or her the Nobel Peace Prize.

BSD2 SUMMER INSTRUCTIONAL PROGRAMS

Bensenville School District 2 is offering two exciting learning opportunities for third- through seventh-grade students this summer.

Jump Start

This session provides incoming sixth graders opportunities to meet sixth-grade teachers, make new friends, and learn about Blackhawk Middle School. Teachers will help students become successful at the middle school by exposing students to basic middle school routines such as locker combinations, lunchroom procedures, and following schedules. In addition, the students will be introduced to the sixth-grade math and English/language arts curriculums.

STEM/Enrichment

Third- through seventh-grade students will explore various aspects of science, math, art, and engineering with fun-filled, hands-on activities. This session is a great way for students interested in STEM to experience real-world applications in the STEM fields through drones, coding, LEGO Mindstorms robots, 3D printing, Rube Goldberg projects, Minecraft, and so much more! Each day will be filled with opportunities to explore, invent, and discover while creating, testing and collaborating. Students will learn how to problem solve and think critically through a variety of engaging activities.

Medical Oxygen Safety

Portable medical oxygen in the home has grown over the past decade. Medical oxygen adds a higher percentage of oxygen to the air a patient uses to breathe. Fire needs oxygen to burn. If a fire should start in an oxygen-enriched area, the material burning will burn more quickly.

Homes where medical oxygen is used need specific fire safety rules to keep people safe from fire and burns.

SAFETY TIPS

- There is no safe way to smoke in the home when oxygen is in use. A patient on oxygen should not smoke.
- Candles, matches, wood stoves and even sparking toys, can be ignition sources and should not be used in the home.
- Keep oxygen cylinders at least five feet from a heat source, open flames or electrical devices.
- Body oil, hand lotion and items containing oil and grease can easily ignite. Keep oil and grease away where oxygen is in use.
- Never use aerosol sprays containing combustible materials near the oxygen.

FACTS

- Oxygen saturates fabric covered furniture, clothing, hair and bedding, making it easier for a fire to start and spread.
- Smoking materials is the leading heat source resulting in medical oxygen related fires, injuries and deaths.

Post **No Smoking** and **No Open Flames** signs in and outside the home to remind people not to smoke.
