What is a seed library?

A seed library encourages the free exchange of seeds - check out seeds with your library card, grow the plants, and complete the cycle by returning some of the seeds you harvest! With

BCPL's upcoming seed library, we hope to help community members grow healthy, affordable food (and flowers!), but also practice sustainability and green living. Stay tuned - More details about our seed library are coming soon!

BENSENVILLE FACES COMMUNITY ART PROJECT

Do you live, work, or play in the Village of Bensenville? If so, then you are one of the many diverse faces that make up our community, and we invite you to participate in the Bensenville Faces Project.

To participate, simply send your name, phone, and email address to faces@bensenville.il.us along with your favorite head and shoulder photo. We will turn that photo into a line drawing and then invite you to register for one of several paint/collage events to be held around town over the next few months.

At the event, you will be given all the supplies necessary to make a collage portrait of yourself along with an instructor to guide you through creating your own work of art. Once complete, we will photograph the final artwork to be printed on metal and displayed around town as part of the final art installation. You will keep your original artwork. All final artwork will also be shared on Instagram as using the #BensenvilleFaces hashtag.

The Bensenville Faces Community Art Project is supported by a "Picture This" Visual Arts Mini-Grant from the JCS Fund, a donor-advised fund of The DuPage Community Foundation,

For more information, as well as a video demonstration of the artwork process, please visit: www.bensenville.il.us
